

Seeking Lower Production Costs

That Michigan farmers are not willing to go on increasing production regardless of cost, in the face of adverse economic conditions, is the opinion of H. B. Killough, farm management specialist at the Michigan Agricultural College. The big problem of the farmer is said to be decreased production costs through more efficient management on the farm.

"With agricultural production normal, industrial production below normal, the purchasing power of the consuming public decreased by reason of unemployment and business losses, and the price level of agricultural products where it is, the farmer is not content to go on increasing production regardless of cost," says Killough. "The demand is now for definite farm cost accounting and farm management information."

Illustration of the need for cost accounting work on Michigan farms was secured recently in records kept in Wayne County by E. T. Riddell, research specialist at M. A. C. Two dairy farms with investments of \$24,000 and \$25,000 respectively showed a marked difference in earning power. The first with high producing cows, averaging 10,000 pounds of milk, was earning eight and one-half per cent on the invested capital, while the second, with cows averaging 6,000 pounds, was making only two and one-half per cent on the investment. Cost accounting work brought out these facts of basic importance.

More than forty cost accounting schools, scattered over twenty Michigan counties, have been scheduled by the college farm management men for the coming winter months in an effort to meet the demand for accounting information. The schools are held at Grange Farmers Club, or other local headquarters and are arranged by the local county agricultural agents.

An unusually effective plan for handling farmers cost accounting schools has been worked out in Wexford County by county agent W. F. Johnson, who is conducting the schools in connection with the community interest in the schools and also gives students actual and practical work, thus proving a benefit both ways.

Bankers, farmers, and superintendents of schools are co-operating with Johnson in the accounting school work.

GENERAL NEWS OF CITY SCHOOLS

(Continued from page one)
The children of the second grade under direction of Mrs. Alice Sigbee will present the Christmas pageant "The Tree Triumphant." In addition, a number of Christmas carols will be sung by the children of the sixth, seventh and eighth grades. The public is cordially invited to attend.

Washington School Notes
At 2 o'clock on Friday afternoon, December 23, at the Washington school, the children of the seventh and eighth grades will present "The Bethlehem Christmas Pageant." Appropriate exercises will also be held in the other grade rooms of the building. The public is cordially invited.

The Parent-Teacher Association will meet Friday afternoon, Dec. 16, at 2:45 o'clock. All parents of Washington school children are urged to be present. The pupils of the sixth grade are in charge of the program. They will present two plays, "In Santa Claus Land" and "The Pink Scarf," a number of readings and Christmas carols.

Five pupils from the 6B—Jack Williams, Dorothy Shouler, Leslie Struble, Beatrice Orwig and Robert Dandell, entered the national contest among school pupils for a trip to Washington. This trip is given to the best compositions throughout the country on "How I Can Help To Make the Holidays Safe."

Several mothers and fathers were welcome visitors in the 6B room last week. We should like to have more of them visit us at any time.

Last Friday afternoon, Mr. May of the local postoffice addressed the Junior high school assembly and told many interesting facts about Uncle Sam's postal services. Much that he told could not be found in the school texts and all that he told was of practical value. Teachers and pupils appreciated the time and effort spent, and all agree that it was much worth while.

Miss Towers' campfire girls gave the play, "The Pink Scarf," in Junior high school assembly Monday morning.

Lincoln School Notes.
The Parent-Teachers Club of the Lincoln school held its regular meeting December 8th. A Christmas program was the principal feature of the meeting—

Songs—"Santa Claus So Jolly" by Sub. Primary boys.
Solo by Miss Emmel.
Play—"Christmas Gifts" by Miss Alspaugh's Fourth Grade.
Song—"Christmas Carol" by Miss Johnson's Second Grade.
Play—"Tillie's Christmas" by Mrs. Annibal's Third Grade.
Dramatization—"Discontented Pine Tree" by Miss Johnson's Second Grade.
Song—"Under the Stars" by Miss Ferris' Second Grade.
Solo by Mrs. McKeanie.

Light refreshments were served. Pupils from Miss Alspaugh's room presented a playlet entitled "Christmas Gifts" before the guests at the Masonic Home on Tuesday afternoon. Lincoln school is very proud of its record in the school savings. Last week one hundred eighty-one deposits were made with a percentage of .422 for the school. The percentage is based upon the average daily attendance.

If it is something to be printed, we can print it. The Alma Record—advertisement 10-3w

ALMA WINS HER PRACTICE GAME

(Continued from page one)
Crittenden. Wright then went to guard for Soderstrom. Cathman replaced Kirker at forward, and later when Kirker returned to the fray "Rus" replaced Beum. Sartor went to center for Shaver. Zuehl soon went to guard for Wright and Wright took the center job.

In spite of the numerous changes the scoring kept on until 40 points had been rolled up and the whistle stopped the scoring festival. The visitors used eight men in their efforts to halt the Alma clan in its march and in the independents' attempt to outscore Alma, but it could not be done.

The Mt. Pleasant men, after the fray, expressed surprise at the quality of the material that Alma has this year, and one of the men, a well known basketball star and official, made the prediction that the Normals would not find it possible to take two games from Alma this year in spite of the fact that the entire Normal team, one of the speediest in the state last year, is back at Mt. Pleasant. That was cheering news, and speaks well for the possibilities that the Alma eagles have this coming season.

BRECKENRIDGE
The Congregational and Methodist churches united in a union service Sunday morning in a community educational service which was held in the Methodist church. Dr. Hamilton, head of the English and public speaking department of Alma College, was the speaker for this occasion.

At the banquet of honor held in the parlors of the Methodist church Thursday evening, a reception was given in honor of the football team. Covers were laid for 76 people.

Mrs. Glen Henry of Clare came to Breckenridge Thursday to visit her mother, Mrs. L. Holland, a few days. Mr. and Mrs. Lee Baldwin enjoyed a visit over the week end with his niece, Miss Marion Pryor, a teacher in the Lowell schools.

Mrs. Cornelia Bradford, a resident of Wheeler township the past 60 years, passed away at the home of her son, Norman Bradford, of this place, early Saturday morning. Mrs. Bradford was 86 years of age and leaves to mourn her loss 10 children—Amos, Charles, Newell, Will, Mrs. Ida Wilson, Mrs. Hattie Dancer, all of Wheeler, Norman of Breckenridge, Mrs. Edith Allen and Mrs. Frank Oberlin of Lansing and George Bradford of Colorado Springs. The funeral was held Monday in Wheeler. Interment in Breckenridge.

The high school basketball team played their first game here Friday evening with the Shepherd teams. The local teams won both games.

Leo Davis and wife of Edmore motored here Sunday and spent the day with his parents, Mr. and Mrs. E. R. Davis.

Mrs. Agnes Crawford spent Friday and Saturday in Riverdale, the guests of Mr. and Mrs. Millard Hopkins.

Miss Edith Scoggins was an Alma visitor Saturday morning.

Marshall Hopkins and family of Alma were visitors here Saturday.

Mr. and Mrs. H. J. Zubler motored to Saginaw Sunday to visit his sister, Mrs. C. Peerman, returning home Monday.

Born to Mr. and Mrs. Norman Roth Sunday, Dec. 11, an eight-pound baby girl.

Rev. and Mrs. John Clemens motored to Saginaw Saturday.

DRY CLEANING PLANT
It will be good news to the people of Alma to know that we are to have an up-to-date dry-cleaning plant.
The Alma City Dry Cleaners have closed a deal whereby they will construct a complete fireproof plant, equipped with up-to-date machinery, which has already been ordered. They will build the plant in connection with the present cleaning and tailoring business at 205 East Superior st. and will not only cater to the needs of Alma but to all Gratiot County. James Hercik, proprietor, assures The Record that the plant will be up-to-date in every particular and will be ready for operation in the early spring.
